Stallion – Smart Cow teat with valve

- Clear: 880 0005-315

Stallion – Adaptor

- Screw in teat: 880 0005-203
- Pull through : 880 0005-202
- Smart Cow: 880 0005-376

Stallion Manifold Gravity 50 Teat Mobile Feeder

- Manifold made for easy cleaning and milk flow
- Choice of larger tanks at 500L
- Larger tank lids with three way locking system
- Enclosed manifold means no contamination of the milk
- Enhanced stability with lower point of gravity
- Easy to level on uneven surface.
- Stronger frame with heavier gauge galvanised steel

Stallion 250L Petrol Mobile Mixer

- Reliable 4 stroke Honda mixing pump or, 240-volt mixing with 12-volt delivery pump.
- The innovative MT250 mixes 250ltrs of milk replacer in 5-7 minutes, then distributes direct into your Stallion feeders via the distribution gun.
- Self cleaning tank.
- Flow meter and distribution gun

Wydale Single Teat Calf Feeder (CF1)

- Designed to teat feed calves in individual pens, easy to hang on gates or pens.
- Suitable for whole milk or milk replacer.
- Capacity 4 litres

Wydale 3 Teat Calf Feeder (CF3)

- Designed for fast, efficient group feeding of calves whilst maintaining an individual approach and promoting improved digestion of milk.
- Group calves of 3, 6, or 9 to a pen.Mix the required amount of milk for one pen.
- Each compartment can hold up to 3 litres.

Wydale 5 Teat Calf Feeder (CF5)

- Feeder(s) hang on the calf pen gate in such a way that the teats are level with the calves' backs. Pour in the milk and make sure each calf is sucking.
- One sick calf can be given medicated milk/ electrolytes if necessary and the rest plain milk
- Each compartment can hold up to 3 litres.

Wydale 110L Electric Milk Mixer MKM1

- The Wydale Milk Mixer has been designed to eliminate labour intensive hand mixing and carrying of milk.
- It's rapid mixing action reduces powder to liquid in seconds whilst the translucent tub allows accurate measurement of liquid.
- 240 volt motor
- 110 litre capacity

Wydale 110L 4 Wheel Electric Mixer MKM10

- The Milk Mixer has been designed to eliminate labour intensive hand mixing and carrying of milk.
- 4 wheel stability
- 240 volt motor
- 110 litre capacity

Wydale 110L Electric Mixer & Pump Dispenser MKM10P

- 110 Litre capacity, 4 Wheel Mobile Milk Mixer. Takes the effort out of transporting milk around the farm.
- 240 Volt Electric mixing with 24v rechargeable battery operated pumping system delivering up to 45 Litres per minute.
- Optional inline flow meter available (£238.00).

JFC 170L Milk Kart c/w 220v Mixer Only MK170M3

- Easily transports bulk quantities of whole milk or milk replacer.
- Lever valve (1.5") allows user to control the volume of milk dispensed.
- Twist on lid minimises spillages and contamination.
- Braked castor, swivel wheels (10") allow for smooth manoeuvrability.
- Non-corrosion plastic rim wheels for transporting on rough terrain
- CE Certified

JFC 170L Milk Kart c/w 12v Pump Only MK170P3

- Easily transports bulk quantities of whole milk or milk replacer.
- Lever valve (1.5") allows user to control the volume of milk dispensed.
- Twist on lid minimises spillages and contamination.
- Braked castor, swivel wheels (10") allow for smooth manoeuvrability.
- Non-corrosion plastic rim wheels for transporting on rough terrain
- CE Certified

JFC 170L Milk Kart with Mixer and Pump MK170MP3

JFC - ATV Milk Kart 340L c/w 220v Mixer Only

- Easily transports bulk quantities of whole milk or milk replacer to calves.
- 1.5" lever valve allows user to control the amount of milk dispensed.
- Fitted with 2 4ply Road Wheels for smooth handling even on rough terrain.
- Twist on lid minimises spillages and contamination.
- Fitted with jockey wheel
- CE Certified

JFC - ATV Milk Kart 340L c/w 12v Pump Only

- Easily transports bulk quantities of whole milk or milk replacer to calves.
- 1.5" lever valve allows user to control the amount of milk dispensed.
- Fitted with 2 4ply road wheels for smooth handling even on rough terrain.
- Twist on lid minimises spillages and contamination.
- Fitted with jockey wheel
- CE Certified
