### ACTION PLATINUM 50 – CALF MILK

#### 100% MILK PROTEIN + 50% SKIM + WHEY CALF MILK REPLACER

Oil 21% Protein 25% 0% Fibre 6.7% Ash

- **Action Platinum 50** is produced with **100% milk protein** = Very digestible  
This means that ALL the protein is from a dairy source (skim & whey), no vegetable protein at all.
- 50% skim milk powder is one of the highest levels available to help ensure a lovely 'Bloom & Shine' and optimise growth & development.
- **Action Platinum 50** contains functional proteins (Pre & Probiotics) which line the gut of the calf and help prevent bad organisms (including viruses) from attaching to the gut lining and causing damage
- This is a premium high performance calf milk replacer that is manufactured in the UK from UK supplied dairy farms.
