### “ CALF CREAM WAY”

#### NATUREBOOST + BIOSTART + BIO-COX

OUR FIRST ‘REVERSE RATIO’ WHEY BASED CALF MILK REPLACER = HIGH ENERGY

Oil 24% Protein 22% 0% Fibre 7.8% Ash

**Calf Cream Way** is produced with very high levels of milk protein = Very digestible (Cheaper products containing more vegetable proteins are less digestible).

Contains over 40% more oil (for energy) than some other products. Perfect for the smaller cross bred calf, or rearing systems when extra energy is required (colder housing environments)

**Calf Cream Way** contains functional proteins which line the gut of the calf and help prevent bad organisms (including viruses) from attaching to the gut lining and causing damage.

**Calf Cream Way** also contains Bio-cox (Natural Plant Extracts and essential oils) to help restrict the multiplication of oocyst (eggs) in the gut.

**Calf Cream Way** has the added benefit of Natureboost is a complex combination of natural products to stimulate the immune system to help fight disease.
